An illegal alien who was released from ICE custody by the Biden Administration beheaded a motel manager in Old East Dallas, Texas, on Wednesday.

Yordanis Cobos-Martinez, an illegal alien from Cuba, was released into the interior of the US on January 13, 2025, just one week before Trump was sworn into office.

Cobos-Martinez used a machete to repeatedly hack the victim, Chandra Nagamallaiah, 50, and then beheaded him.

According to Fox News, Cobos-Martinez was caught on surveillance video kicking the victim's severed head in the parking lot, then picking it up and tossing it into a dumpster.

Fox News reporter Bill Melugin said Cobos-Martinez has a prior criminal history of:

False imprisonment in CA (unknown disposition)

Indecency with a child in Texas (dismissed)

Grand theft of vehicle in Florida (dismissed)

Carjacking & false imprisonment in CA (acquitted on carjacking, convicted of false imprisonment).

Cobos-Martinez was charged with capital murder, Fox 4 [reported](#).
